

With Party Conservative acting as weight;
When the former sprung up with so strong a rebuff,
That it made a vast rent and escaped with a puff,
While the scale with the Party so mightily fell,
That all of them gladly bade Little farewell.

IX.

Poor Little complained and said:
"Judge, I don't know,
Your scales may be true, but my weight they don't show.
Please try me once more and take Very as weight,
I'm sure I can lift him at a thundering rate.
"Get in," said the Judge; "and Very in too."
They balanced each other and Little turned blue.
He had marked his fat weight with his own little tool,
When he called Emil Wery a knave or a fool.

X.

Such, my dear friends, are the scales of our Judge,
A man whom we love and respect very much;
He's a gentleman upright—right square to a T,
I take off my hat and say, "Long live he!"

A BORN LAWYER.

Isab is its Name.

Climate of every variety exerts a different influence on the desires of mankind for a stimulant. In colder zones beverages of great alcoholic strength are used to a very much larger degree than in the tropics. Beer is best suited to our climate and none found in the market is better than that bearing the brand of "PABST, MILWAUKEE." It is brewed from the best of malt and hops and is a great thirst quencher and invigorator and stimulates the nerves and muscles. At the Royal, Cosmopolitan and Pacific saloons it may be found, cold and pure. Interchangeable checks are issued which may be used at any of the three resorts.

The Danger Comes

In cases of typhoid fever, diphtheria and other wasting diseases, when the patient has been reduced in flesh, and strength, and begins the toilsome climb to health, here Hood's Sarsaparilla finds its place. It enriches the blood, strengthens the nerves, gives tone to the digestive organs, and builds up the whole system.

Hood's PILLS are the best after-dinner pills assist digestion, ease headache. 25c a box.

There seems to be some blight affecting the bloom of the beautiful Puccinia Regia this season, for of all the trees in the city but few have blossoms enough to attract attention. The one on Hotel street next to the Arlington is a notable exception, and in consequence is a source of wonder and delight to visitors who have never before seen this tree in bloom. King Bros. have made several excellent sketches in oil and water colors of this subject, which are meeting with ready sale.
